CAREER SUMMARY

Passionate Junior Full-Stack Developer with hands-on experience in building scalable web applications using React, Next.js, and Node.js. Skilled in creating responsive front-end interfaces and robust REST APIs to deliver seamless user experiences. Seeking an opportunity to contribute technical skills to a dynamic engineering team while growing professionally.

SKILLS

Languages: JavaScript, TypeScript, Python, HTML5, CSS3
Frontend: React.js, Next.js, Tailwind CSS
Backend: Node.js, Express.js, REST API
Database: MongoDB, Mongoose
Authentication: Better Auth, JWT
Tools: Git, GitHub, VS Code, Postman
Soft Skill: Problem-Solving, Team Collaboration, Time Management, Communication

PROJECTS

1. Studio Space – Studio Workspace Booking Platform | Live Site | Client GitHub | Server GitHub
A modern web application designed for users to search, explore, and reserve creative studio workspaces seamlessly.

- Developed responsive React UI using Tailwind CSS and Radix UI integrated with Express.js API.
- Implemented dynamic booking status management with conditional cancellation logic.
- Created interactive data tables with real-time time-slot validation and toast notifications.

2. Bazar Dor – Daily Market Price Tracker | Live Site | GitHub Repository
An interactive web application helping users track, compare, and monitor daily commodity and market prices efficiently.

- Built dynamic React & Tailwind CSS interface for real-time commodity price tracking.
- Engineered REST API endpoints to update and manage daily market data efficiently.
- Integrated instant search and filtering tools to categorize items by location.

3. Fit Log – Fitness & Exercise Tracker App | Live Site | GitHub Repository
A personal health utility for users to track daily workout routines, fitness goals, and physical activity logs.

- Designed intuitive single-page user dashboard to log daily exercises and progress metrics.
- Implemented backend logic for persistent workout entries and goal-tracking updates.
- Optimized mobile-first responsive design for smooth performance across all screens.

EDUCATION

Bachelor of Science (B.Sc) in Botany
Govt city College, Rajshahi | 2023 – Present (Expected Graduation: 2027)

LANGUAGES

Bengali: Native | **English:** Proficient | **Hindi:** Conversational
